Classification and eligibility will be determined in accordance with *Modern Roses 12*, the latest editions of the *Handbook for Selecting Roses*, *The 2010 Combined Rose List*, the *ARS Official List of Approved Exhibition Names for Judges and Exhibitors*, the ARS website and the *American Rose* magazine. If differences exist among these sources, the most recent publication by the American Rose Society will govern.
3. Expect where specifically indicated, competition is open to all rose growers, but all exhibitors must be registered for the convention. All entries must have been grown in a private outdoor garden by the exhibitor and be correctly named and classified. The exhibitor's convention registration number will serve as the exhibitor's number. This number should appear on entry tags. Only one person or team may enter from any one garden. Judges judging in the horticulture section of this show are invited to exhibit in Section J - Class 64.
4. The show committee except where specifically indicated will furnish containers and entry tags. An entry tag must be made for each specimen except collections shown in one container, which shall have one entry tag with all varieties listed on the reverse of the tag. Both top and bottom of tag must be completely filled out. Wedges are permitted and will be supplied by the show committee or exhibitors may furnish their own.

5. Exhibitors may make as many entries as desired in each section except for Sections A, and B and in classes noted with entry limits, provided each entry is a different variety. Two specimens of the same variety in the same class entered by the same exhibitor will result in the automatic disqualification of both entries.
6. Placement will be made by the Placement Committee except for Sections A, B, E, and H; in these sections challenge class entries may be placed by the exhibitor. Once placed, the entry shall not be moved, and the exhibitor must promptly exit the show area after placing his/her entry. **NO ONE** will be permitted in the show area during judging except those authorized by the Show Committee. **Please cooperate!**
7. Except where otherwise specifically stated, varieties will be arranged alphabetically within a class, disregarding color class.
8. Blue, red, yellow and white ribbons may be awarded in each variety class. Only blue ribbon winners may receive awards. Judges may withhold any award they feel is not merited. The decision of the judges is final.
9. Miniatures and Minifloras may not be combined in the same entry for collections in Section H. (entry must consist completely of Miniatures or completely of Minifloras)
